

American Recovery and Reinvestment Act of 2009

Fibergrate is proud to affirm that our products and fabrication services comply with the "Buy American" provisions of the American Recovery and Reinvestment Act of 2009 (ARRA)

Stephenville, Texas Manufacturing Plant

Although Fibergrate has grown over the years into a worldwide manufacturer of fiberglass gratings and structural profiles, we remain true to our Texas heritage with our main manufacturing facility being located in Stephenville, Texas USA.

Water & Wastewater Facility

Public Transit

Sun Shade

Water Fountain

Since our founding nearly 50 years ago in Dallas, Fibergrate has and will continue to offer products and fabrication services that are truly...MADE IN THE USA.

Please contact your local Fibergrate Factory Representative to explore the range of products and services available for your ARRA funded project.
