

FOR IMMEDIATE RELEASE:

## **Fibergrate Composite Structures Incorporated** **Names Eric Breiner New President**

**DALLAS, TEXAS (June 19, 2007)** – Fibergrate Composite Structures Inc., an RPM International Inc. company, has named Eric Breiner as new Fibergrate President.

Breiner has 15 years of experience with the company in both sales and management. He most recently served as Regional Sales Manager for Fibergrate. Breiner succeeds former President, Marshall Liverman, who was recently promoted to President of Stonhard Inc., a Fibergrate sister company.

Mr. Breiner holds a B.S. in Chemical Engineering from Tulane University in New Orleans, Louisiana, and a Masters of Business Administration from the University of Southern New Hampshire.

### **About Fibergrate Composite Structures Inc.**

With over 40 years of experience, Fibergrate Composite Structures Inc. is the leading manufacturer of fiberglass reinforced plastic (FRP) products for industrial and commercial use globally.

Joining the StonCor Group, an operating company management unit in the industrial division of RPM International, Inc., in 1997 added a key element to a group of companies dedicated to combating caustic and corrosive environments. RPM is the world leader in specialty coatings serving both industrial and consumer markets.
