

MANUFACTURING IS WHAT WE DO. **SERVICE IS WHO WE ARE.**

LOCATED NEAR YOU

Our sales managers are located throughout the U.S. and around the world, allowing us to visit your job site and understand your unique needs.

DESIGN AND ENGINEERING

Our team can develop approval drawings that meet the needs of your specific project and have them sealed by a professional engineer - ensuring a hassle free and timely installation.

FULL STAFF OF CONSTRUCTION PROJECT MANAGERS

Fibergrate's project management team works alongside our design and engineering teams at our manufacturing facility ensuring the project goes smoothly.

STATE-OF-THE-ART FABRICATION FACILITY

Our manufacturing facility is at the forefront of composites fabrication, utilizing state-of-the-art tools and equipment to perform machine work, cutting, drilling and coping of structural members among other tasks needed for the fabrication of FRP.

WARRANTY

Our products perform under the most severe of conditions. In fact, we stand behind our products with a written warranty that is three times longer than the industry standard.
